

The New Path to Victory

EXECUTIVE SUMMARY

Corporate **Warrior Consulting (CWC)** is a research-based, high-performance consulting company headquartered in Washington, D.C., with an office in Raleigh, NC.

CWC takes a unique and integrated approach to providing cutting-edge services in 5 interrelated "**Pathways to Victory.**" These pathways are designed to enhance efficiency, productivity, profitability, and sustained high-level performance for individuals, teams, leaders, and organizations.

AT **CWC** WE START AT THE CORE OF ALL ORGANIZATIONS – WITH THE INDIVIDUAL

- When individuals in the organization are executing with confidence, trust, and focus:
Employees are engaged and resilient.
- When the strengths are identified and Belbin Team Roles are leveraged:
Teams are engaged and strengthened.
- When Leadership is exposed to the 3-Core Programs to *sharpen the sword*:
Leaders are engaged and adaptive.
- When Authentic Appreciation is consistently communicated:
Employees feel authentically valued and appreciated.
- When the organization recruits, trains, develops, and retains the best people:
This leads to sustained, high-level growth and the performance edge over the competition.
